# Do more without doing damage.

Blank walls are a canvas of decorating and organising possibilities. With Command™ Products, you can experiment and explore, putting everything exactly where you want - all without damage.

## Advanced Technology

Powered by 3M science, Command™ Products are designed, tested and proven to hold strongly and remove cleanly from a variety of indoor and outdoor surfaces.

We constantly innovate, most recently introducing a new adhesive that is designed for new stain resistant paints.

## Command™ Benefits

### No Tools

Hanging is fast and easy.

No hammers, nails, drills or screws needed.

### Holds Strongly

Tested and proven to hold on a variety of surfaces.

Painted plasterboard, cabinet doors, painted brick, tile, glass and more

### Removes Cleanly

No marks, holes or sticky residue.

Hang again and again with refill strips.

### Easy on

Peel

Stick

Press

### Easy off

Stretch

Not recommended for vinyl or unpainted paper or wallpaper, stucco, rough wall textures, bare wood, bare concrete, bare brick, MDF.

## Choosing the right Command™ product for your project.

The first thing to determine when choosing the right product is where it's going to be used. It could be:

- Inside the house
- Inside a hot and humid bathroom
- Outside in all weathers

With the environment in mind, you can then consider the type of surface.

See our guide over the following pages.

Also available - Command™ Frame Stabilizer Strips which keep picture frames level even if hung by nails.

## Picture Hangers

For frames with back attachments

- Command™ Universal Sticky Nail Hangers are designed for sawtooth, D-ring and keyhole hanging items. This single piece hanger is simple to use, and replaces the need for nails when hanging pictures and other objects, e.g. clocks.
- Command™ Brand also has specific products for hanging canvasses for a damage-free alternative to the traditional hammer and nail.

See pages 20-21 for range of products.
